THE PRELIMINARY TEXT OF THE PROPOSED RULE DEVELOPMENT IS:

69W-600.0021 Effect of Law Enforcement Records on Applications for Registration as Associated Persons.

(1) General Procedure Regarding Law Enforcement Records. At the time of submitting an application for registration as an associated person pursuant to Rule 69W-600.002, F.A.C., the applicant shall supply the Office with the documentation, as specified in this rule, when specifically requested by the Office, relating to: 1) all criminal matters in which the applicant has pled guilty or nolo contendere to, or has been convicted or found guilty, regardless of whether adjudication was withheld, of a class "A" or "B" crime as described in this rule, 2) any pending criminal charges relating to a class "A" or "B" crime as described in this rule, or 3) shall supply evidence that such documentation cannot be obtained. The documentation must be legible. The documentation shall include:

(a) A copy of the police arrest affidavit, arrest report or similar document.

(b) A certified copy of the charges.

(c) A certified copy of the plea, judgment, and sentence where applicable.

(d) A certified copy of an order of entry into pre-trial intervention, and the order of termination of pre-trial intervention showing dismissal of charges where applicable.

(e) A certified copy of an order of termination of probation or supervised release, if applicable.

Evidence that documentation cannot be obtained shall consist of a certified or sworn written statement on the letterhead of the agency that would be the custodian of the documents, signed by a representative of that agency, stating that they have no record of such matter, or that the record is lost or was damaged or destroyed, or otherwise stating why the document cannot be produced.

(2) Effect of Failure to Fully Disclose Law Enforcement Record on Application.

(a) The omission of any part of a law enforcement record required to be disclosed on the Form U-4 is a material misrepresentation or material misstatement on the application and the application shall be denied pursuant to section 517.161(1)(b), F.S.

(b) If the Office discovers the applicant's failure to disclose any part of a law enforcement record required to be disclosed on the Form U-4 after a registration has been granted, the Office will suspend or revoke each registration currently held by the applicant as follows:

1. Suspension for 12 months if, had the application been accurate, the application would have been granted, based on the statutes and rules applicable to the application at the time the Office granted registration.

2. Revocation if, had the application been accurate, the application would have been denied, based on the statutes and rules applicable to the application at the time the Office granted registration.

(3) Classification of Crimes.

(a) The Office makes a general classification of crimes into two classes: A and B, as listed in subsections (14) and (15), of this rule.

(b) These classifications reflect the Office's evaluation of various crimes in terms of moral turpitude and the seriousness of the crime as such factors relate to the prospective threat to public welfare typically posed by a person who would commit such a crime.

(c) The names or descriptions of crimes, as set out in the classification of crimes, are intended to serve only as generic names or descriptions of crimes and shall not be read as legal titles of crimes, or as limiting the included crimes to crimes bearing the exact name or description stated.

(d) For purposes of this rule, “trigger date” means the date on which an applicant was found guilty, or pled guilty, or pled nolo contendere to a crime.

(e) A charge in the nature of attempt or intent to commit a crime, or conspiracy to commit a crime, is classified the same as the crime itself.

(4) Applicants with a Single Crime. The Office finds it necessary to implement the following standards for applicants whose law enforcement record includes a single crime, subject to the mitigating factors set forth in this rule before registration. All periods referenced in this rule run from the trigger date.

(a) Class A Crime. The applicant will not be granted a registration until 15 years have passed since the trigger date.

(b) Class B Crime. The applicant will not be granted registration until 5 years have passed since the trigger date.

(5) Applicants With Multiple Crimes.

(a) The Office construes section 517.161, F.S., to require that an applicant whose law enforcement record includes multiple class “A” or “B” crimes, or any combination thereof, wait longer than those whose law enforcement record includes only a single crime before becoming eligible for registration in order to assure that such applicant’s greater inability or unwillingness to abide by the law has been overcome. Therefore, the Office finds it necessary that a longer disqualifying period be utilized in such instances, before registration can safely be granted. Accordingly, where the applicant has been found guilty or pled guilty or pled nolo contendere to more than one crime, the Office shall add 5 years to the disqualifying period for each additional crime.

(b) The additional periods are added to the disqualifying period for the one most serious crime, and the combined total disqualifying period then runs from the trigger date of the most recent crime.

(c) Classification as “Single Crime” versus “Multiple Crimes.” For purposes of this rule, two (2) or more offenses are considered a single crime if they are based on the same act or transaction or on two (2) or more connected acts or transactions.

(6) Mitigating Factors.

(a) The disqualifying period for a Class “A” or “B” crime or crimes shall be shortened upon proof of one or more of the following factors. Where more than one factor is present the applicant is entitled to add

together all of the applicable mitigation amounts and deduct that total from the usual disqualifying period, provided that an applicant shall not be permitted an aggregate mitigation of more than three (3) years for the following factors:

1. One year is deducted if the probation officer or prosecuting attorney in the most recent crime states in a signed writing that the probation officer or prosecuting attorney believes the applicant would pose no significant threat to public welfare if registered as an associated person.

2. One year is deducted if restitution or settlement has been made for all crimes in which wherein restitution or settlement was ordered by the court, and proof of such restitution or settlement is shown in official court documents or as verified in a signed writing by the prosecuting attorney or probation officer.

3. One year will be deducted if the applicant was under age 21 when the crime was committed and there is only one crime in the applicant's law enforcement record.

4. One year is deducted if the applicant furnishes proof that the applicant was at the time of the crime addicted to drugs or suffering active alcoholism. The proof must be accompanied by a written letter from a properly licensed doctor, psychologist, or therapist licensed by a duly constituted state licensing body stating that the licensed person has examined or treated the applicant and that in his or her professional opinion the addiction or alcoholism is currently in remission and has been in remission for the previous 12 months. The professional opinion shall be dated within 45 days of the time of application.

5. Other Mitigating Factors. An applicant is permitted to submit any other evidence of facts that the applicant believes should decrease the disqualifying period before registration is allowed and one additional year shall be deducted if the Office agrees the facts have a mitigating effect on the registration decision.

(b) The burden is upon the applicant to establish these mitigating factors. Where the mitigating factor relates to or requires evidence of government agency or court action, it must be proved by a certified true copy of the agency or court document.

(7) Circumstances Not Constituting Mitigation. The Office finds that no mitigating weight exists, and none will be given, for the following factors:

(a) Type of Plea. The Office draws no distinction among types of plea, e.g., found guilty; pled guilty; pled nolo contendere.

(b) Collateral Attack on Criminal Proceedings. The Office will not allow or give any weight to an attempt to re-litigate, impeach, or collaterally attack judicial criminal proceedings or their results wherein the applicant was found guilty or pled guilty or nolo contendere. Thus the Office will not hear or consider arguments such as: the criminal proceedings were unfair; the judge was biased; the witnesses or prosecutor lied or acted improperly; the defendant only pled guilty due to financial or mental stress; the defendant was temporarily insane at the time of the crime; or the defendant had ineffective counsel.

(c) Subjective Factors. The Office finds that subjective factors involving state of mind have no mitigating weight.

(8) Effect of Pending Appeal in Criminal Proceedings; Reversal on Appeal.

(a) The Office interprets the statutory grounds for denial of registration as arising immediately upon a finding of guilt, or a plea of guilty or nolo contendere, regardless of whether an appeal is or is not allowed to be taken. The Office will not wait for the outcome of an appeal to deny registration, unless a Florida court specifically stays the Office's adverse action.

(b) If on appeal the conviction is reversed, the Office shall immediately drop the said crime as grounds for denial of registration.

(9) Pre-Trial Intervention. The Office considers participation in a pre-trial intervention program to be a pending criminal enforcement action and will not grant registration to any person who at time of application is participating in a pre-trial intervention program. The Office finds it necessary to the public welfare to wait until the pre-trial intervention is successfully completed before registration may be considered.

(10) Effect of Sealing or Expunging of Criminal Record.

(a) An applicant is not required to disclose or acknowledge, and is permitted in fact to affirmatively deny, any arrest or criminal proceeding, the record of which has been legally and properly expunged or sealed by order of a court of competent jurisdiction prior to the time of application, and such denial or failure to disclose is not grounds for adverse action by the Office.

(b) Matters Sealed or Expunged Subsequent to Application. Occasionally an applicant will have a matter sealed or expunged after submitting his or her application, but before a registration decision is made by the Office. In such situations the Office policy is as follows:

1. If the applicant properly revealed the matter on the application, and thereafter has the record sealed or expunged, the Office will not consider the matter in the application decision.

2. However, if the applicant did not reveal the matter on the application and the matter had not been sealed or expunged at the time of making the application, the Office will construe the failure to disclose the matter on the application as a material misrepresentation or material misstatement, and the application shall be denied pursuant to section 517.161(1)(b), F.S.

(11) Effect of Varying Terminology.

(a) With regard to the following six subparagraphs, the Office treats each phrase in a particular subparagraph as having the same effect as the other phrases in that same subparagraph:

1. Adjudicated guilty; convicted.

2. Found guilty; entered a finding of guilt.

3. Pled guilty; entered a plea of guilty; admitted guilt; admitted the charges.

4. Nolo contendere; no contest; did not contest; did not deny; no denial.

5. Adjudication of guilt withheld; adjudication withheld; no adjudication entered; entry of findings withheld; no official record to be entered; judgment withheld; judgment not entered.

6. Nolle prosequere; nolle prosequi; charges withdrawn; charges dismissed; charges dropped.

(b) In all other instances the Office will look to the substantive meaning of the terminology used in the context in which it was used under the law of the jurisdiction where it was used.

(12) Imprisoned Persons and Community Supervision.

(a) Imprisonment. Notwithstanding any provision to the contrary in this rule, the Office shall not register any applicant under chapter 517, F.S., while the applicant is imprisoned, under arrest, or serving a sentence for any crime. Further, the Office shall not register any applicant who has been released from imprisonment until the later of the period otherwise set out in these rules or five (5) years after the date of release. The Office finds it necessary that the person be released from imprisonment and thereafter demonstrate an ability to abide by the law by passage of at least five (5) years on good behavior, before registration can be granted without undue risk to the public welfare.

(b) Community Supervision. The Office shall not grant registration to any person who at the time of application or at any time during the pendency of the application is under supervision as the result of the

commission of a criminal offense and released to the community under the jurisdiction of the courts, paroling authorities, correctional agencies, or other criminal justice agencies for any felony crime or any misdemeanor crime involving fraud, dishonest dealing, or moral turpitude.

(13) Effect of Disqualifying Periods. The disqualifying periods established in this rule do not give an applicant a right to registration after any set period of time. Regardless of the expiration of any disqualifying period imposed by these rules, the burden to prove entitlement to registration remains on the applicant.

(14) Class “A” Crimes include felonies involving an act of fraud, dishonesty, or a breach of trust, or money laundering, and the Office finds that such crimes constitute crimes of moral turpitude. The Office finds the following list of crimes are Class “A” crimes. This list is representative only and shall not be construed to constitute a complete or exclusive list of all crimes that are Class “A” crimes. Crimes similar to the crimes on this list may also be considered Class “A” crimes, and no inference should be drawn from the absence of any crime from this list.

(a) Any type of fraud, including but not limited to Fraud, Postal Fraud, Wire Fraud, Securities Fraud, Welfare Fraud, Defrauding the Government, Credit Card Fraud, Defrauding an Innkeeper, Passing worthless check(s) with intent to defraud.

(16) Foreign Law Enforcement Records. If a law enforcement record includes convictions, charges, or arrests outside the United States, the Office shall consider the following factors to reduce, eliminate, or apply a disqualifying period:

(a) Whether the crime in the criminal record would be a crime under the laws of the United States or any state within the United States;

(b) The degree of penalty associated with the same or similar crimes in the United States; and

(c) The extent to which the foreign justice system provided safeguards similar to those provided criminal defendants under the Constitution of the United States; for example, the right of a defendant to a public trial, the right against self-incrimination, the right of notice of the charges, the right to confront witnesses, the right to call witnesses, and the right to counsel.
