Step Four

Filing Form U-4 Amendment

Once the you have transitioned your RAs on the Web CRD, you will need to file a Form U-4 Amendment. In effect, you will be transferring electronically the information from the Form U-4 that you originally filed in paper form with the jurisdictions to the Form U-4 on the Web CRD/IARD system. The following screens will help you navigate through the Form U-4 Amendment filing process.

To file a Form U-4 Amendment while on the CRD site map, click **“Amendment”** under **“Create a New U-4 Filing”** under **Forms** and **U-4 Form** on the site map.

Steps for Creating a Form U-4 Filing:

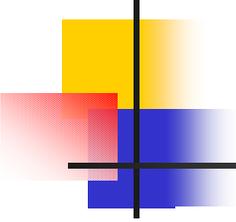

Access U-4

There are two ways to access a Form U-4 filing:

1. From the CRD Site Map, click the **Initial, Amendment, Concurrence, Dual, Relicense All or Relicense IA** hyperlink.

The screenshot shows the Web CRD Central Registration Depository website. The top navigation bar includes 'CRD Main', 'Forms', 'Individual', 'Organization', 'Accounting', and 'Reports'. Below this is a secondary navigation bar with 'LOG OFF', 'Web IARD', 'Site Map', 'User Info', and 'Admin Tool'. The main content area is a grid with four columns: 'GRDMain', 'Forms', 'Individual', and 'Organization'. The 'Forms' column contains a list of links: 'Blank Form', 'Blank U4 Form', 'Blank U5 Form', 'Blank BD Form', 'Blank BW Form', 'U4 Form', 'Create New U4 Filing', 'Initial', 'Amendment', 'Concurrence', 'Page 2 Amendment for Schedule A/B', 'Page 2 Initial for Schedule A/B', 'Dual', 'Relicense All', 'Relicense CRD', and 'Relicense IA'. A black oval is drawn around the links from 'Initial' down to 'Relicense IA'. An arrow points from the 'Initial' link to the 'Initial' text in the list.
