RE: Comments Regarding Proposed New State Cover Sheets To Franchise Disclosure Documents

Dear Sirs:

In response to your invitation to comment on the New State Cover Sheets to Franchise Disclosure Documents ("FDDs"), Dady & Gardner, P.A. suggests that the question which currently reads, "Is the franchise system stable and growing or shrinking?" could be refashioned to read, "Is the franchise system stable, growing, or shrinking?" Thank you for considering this potential change.

Sincerely,

DADY & GARDNER, P.A.
